Dear Parent/Carer

Spelling Shed

Welcome to Spelling Shed! Here at Woodwater Academy, we are introducing a fantastic online way to improve your child's spelling.

Spelling Shed helps children to practise spelling via a simple game. The game gives four different degrees of support in the form of difficulty modes; Easy, Medium, Hard and Extreme. Higher levels allow a higher score to be achieved but children can practise as much as they like on lower levels before trying to gain high scores. The scores achieved give a league position and each class has its own league position within a school league and our world league.

Your child's teacher has introduced them to how Spelling Shed works and also provided them with their own unique log in details. These details are stuck inside your child's reading record.

This programme can be accessed for free at <https://play.edshed.co/login> and gives full access to Spelling Shed. There is also an app that can be purchased for a small fee, but it is NOT necessary to purchase this to use Spelling Shed.

If you have any difficulties logging in or questions about Spelling Shed in general, please contact your child's class teacher.

It is recommended that your child does a little bit of spelling practice every night. Short bursts of practice on a daily basis are more effective than spending hours once a week.

Thank you for your support and I am sure your hard work and theirs will have a direct impact on making them spelling super stars!

Yours sincerely
