1. AIMS

The Trust aims to ensure that:

- A suitable member of staff is appointed as the designated teacher for looked after/previously looked after children, at each school in the Trust.
- The designated teacher promotes the educational achievement of looked after/previously looked after children and supports other staff members to do this too.
- Staff, parents, carers and guardians are aware of the identity of the designated teacher at their school, how to contact them and what they are responsible for.
- The admission of looked after/previously looked after children, and those who have been adopted or those who have a Special Guardianship Order, is prioritised within all of their school admission procedures, in order to admit children without delay, recognising the importance of school stability for looked after/previously looked after children.

2. LEGISLATION AND STATUTORY GUIDANCE

This policy is based on the Department for Education's [statutory guidance on the designated teacher for looked-after and previously looked-after child](#).

3. DEFINITIONS

Looked after children are registered children that are:

- In the care of a local authority, or
- Provided with accommodation by a local authority, in the exercise of its social services functions, for a continuous period of more than 24 hours

Previously looked after children are registered children that fall into either of these categories:

- They were looked after by a local authority but ceased to be as a result of any of the following:
 - A Child Arrangements Order, which includes arrangements relating to who the child lives with and when they are to live with them;
 - A Special Guardianship Order
 - An Adoption Order
- They appear, from information available, to have:
 - Been in state care in a place outside of England and Wales, because they would not have otherwise been cared for adequately, and
 - Ceased to be in that state care, as a result of being adopted

Personal Education Plan (PEP) is part of a looked after/previously looked after child's care plan, that is developed with the school. It forms a record of what needs to happen and who will make it happen, to ensure the child reaches their full potential.

Virtual School Head (VSH) is a local authority officer responsible for promoting the educational achievement of their authority's looked after/previously looked after children, working across schools to monitor and support these children, as if they were in a single school. The VSH is also responsible for providing information and advice to schools, parents and guardians, in respect of previously looked after/previously looked after children.

4. IDENTITY OF OUR DESIGNATED TEACHER

The designated teacher at Woodwater Academy is Katie Chown.

You can contact them by emailing the school office at woodwater@ventrus.org.uk and adding "FTAO The Designated Teacher" into the subject line of the email, or by phoning the school office [insert main school office number].

The designated teachers take lead responsibility for promoting the educational achievement of looked after/previously looked after children in Trust schools. They are the initial point of contact for any of the matters set out in the section below.

Other members of staff with particular responsibilities in relation to looked after/previously looked after children at the school are:

Rachel Olivant, Designated Safeguarding Lead and Donna Baker Designated Safeguarding Governor.

- Monitor the attendance, progress and attainment of looked after/previously looked after children and provide this information to the SLT and Headteacher, to include in the Headteacher's reports to local governors.

5.2 Supporting looked after/previously looked after children

The designated teacher will:

- Arrange a Planning for Success meeting as outlined in the Devon County Council Protocol for Supporting looked after/previously looked after children in schools.
- Hold a PEP meeting each term for every looked after/previously looked after children that involves the social worker, Foster Carers, child and parents (if appropriate). Additional attendees may include Careers South West, Educational Psychologist, Education Welfare Officer and the Area Learning Advocate.
- Make sure looked after children's PEPs meet their needs, by working closely with other teachers to assess each child's specific educational needs.
- Have overall responsibility for leading the process of target-setting in PEPs.
- Monitor and track looked after children's attainment, progress and attendance in accordance with their PEPs.
- If a child is not on track to meet their targets, be instrumental in agreeing the best way forward with them in order to make progress and ensure that this is reflected in their PEP.
- Ensure the identified actions of PEPs are put in place and that their impact is monitored.
- Ensure that Child Pupil Premium Plus funding is carefully targeted to improve the educational outcomes of the looked after/previously looked after child and used as identified in the Personal Education Plan.
- During the development and review of PEPs, help the school and relevant local authority decide what arrangements work best for the child/children concerned.
- Ensure that:
 - A looked after child's PEP is reviewed before the statutory review of their Care Plan – this includes making sure the PEP is up to date and contains any new information, since the last PEP review, including whether agreed provision is being delivered.
 - The PEPs are clear about what has, or has not, been taken forward noting what resources may be required to further support the child and from where these may be sourced.
 - The updated PEP is passed to the child's social worker and VSH, ahead of the statutory review of their Care Plan.
- Transfer a looked after child's PEP to their next school or college, making sure it is up to date and that the local authority responsible for looking after them has the most recent version.

5.3 Supporting both looked after and previously looked after children

The designated teacher will:

- Ensure the specific needs of looked after/previously looked after children are understood by staff and reflected in how the school uses their Pupil Premium + Funding.

- Ensure the [SEND Code of Practice](#), as it relates to looked after/previously looked after children, is followed.
- Make sure PEPs work in harmony with any Education, Health and Care (EHC) plans that looked after/previously looked after children child may have.
- Ensure that, with the help of VSHs, they have the skills to identify signs of potential SEND issues in looked after/previously looked after children and know how to access further assessment and support, where necessary.
- Ensure that they, and other staff, can identify signs of potential mental health issues in looked after/previously looked-after children and understand where the school can draw on specialist services.
- Put in place robust arrangements to have strengths and difficulties questionnaires (SDQs) completed for looked after children and use the results of these SDQs to inform PEPs
- Put in place mechanisms for understanding the emotional and behavioural needs of previously looked after children.

5.4 Relationships beyond the school

The designated teacher will:

- Proactively engage with Social workers and other professionals to enable the school to respond effectively to the needs of looked after/previously looked-after children.
- Discuss with Social workers how the school should engage with birth parents, and ensure the school is clear about who has parental responsibility and what information can be shared with whom.
- Be open and accessible to parents and guardians of previously looked after children and encourage them to be actively involved in their child's education.
- Proactively build relationships with Local authority professionals, such as VSHs and SEN departments.
- Consider how the Trust schools work with others outside of their own school, to maximise the stability of education for looked after child, such as:
 - Finding ways of making sure the latest information about educational progress is available to contribute to the statutory review of Care Plans.
 - Ensuring mechanisms are in place to inform VSHs when looked-after child is absent, without authorisation, and work with the responsible authority to take appropriate safeguarding action.
 - Promote the attendance of looked after/previously looked after children and where the attendance for a looked after/previously looked after children becomes a concern, and falls below 95%, inform the VSH and work with them and the EWO to improve attendance.
 - Talking to the child's social worker and/or other relevant parties in the local authority regarding any decisions about changes in care placements, which will disrupt the child's education, providing advice about the likely impact and what the local authority should do to minimise disruption
 - Making sure that, if a looked after child moves school, their new designated teacher receives any information needed to help the transition process, within 5 school days.
- Seek advice from VSH about meeting the needs of individual previously looked after children, but only with the agreement of their parents or guardians.
- Make sure that for each looked after child:

- There is an agreed process for how the school works in partnership with the child's carer and other professionals, such as their social worker, in order to review and develop educational progress.
- School policies are communicated to their carer and social worker and, where appropriate, birth parents.
- Teachers know the most appropriate person to contact, where necessary, such as who has the authority to sign permission slips.
- Where a looked-after child is at risk of exclusion:
 - Contact the VSH, as soon as possible, so they can help the school decide how to support the child to improve their behaviour and avoid exclusion becoming necessary.
 - Working with the VSH and child's carers, consider what additional assessment and support needs to be put in place to address the causes of the child's behaviour.
- Where a previously looked after child is at risk of exclusion, talk to the child's parents or guardians before seeking advice from the VSH on avoiding exclusion.
- Engage with interventions provided by the VSH and the Educational Psychology Service to avoid exclusion, such as the REDS (Reducing Exclusions in Devon Schools) programme.
